BUSINESS STUDIES
Chapter 1

1	Sunaina and Suma Reddy are best friends. After completing a course in Fashion Designing, five years back, both of them started their own separate outlets in Delhi and Chennai respectively to earn their livelihood. Sunaina buys readymade garments from various manufacturers and sells them in her store. However, Seema Reddy designs her own range of clothing. She gets them made through her team of designers and sells them directly under the brand name 'Forever Young'. Although, both of them are making good returns on their investments but in past they have also incurred huge losses due to changes in the taste and preference of consumer and fashion. Also, despite being in business for such a long time they cannot say with certainty as to what amount of profit will be earned by them in future. Identify and state any four features of business highlighted in the above case.
2	Rajagopalan is running a take away fast food joint in Assam under the name 'Taste of Assam'. Recently, when his cousin Devidayal organised a party at his place he had placed an order for food at 'Taste of Assam' worth ₹ 7,500. However, Rajagopalan decided not to take the money from Devidayal because of his love and affection for him. (i) Will this activity related to the supply of food from Rajagopalan's restaurant to Devidayal be classified as a business activity? Why or why not? (ii) State the feature of business reflected above.
3	Mr. Liyaquat Ali Khan runs a departmental store in Bhopal. He procures different kinds of products from all over India through railways, roadways and airways. He also owns a godown to hold the stocks. He has also taken an insurance policy worth ₹ 15 crores for his business. Moreover, he has taken a loan of ₹ 3,00,000 from Axis Bank in order to meet short-term financial needs of his business. He has placed information about his store on the hoardings, bill boards, etc. in order to popularise them. (i) Define auxiliaries to trade. (ii) Identify the different auxiliaries to trade that are being used by Mr. Liyaquat in his business by quoting the lines.
4	Different situations in different business are being elaborated below: (a) Sahil had a match stick factory in Nepal which got destructed by the recent earthquake. (b) Samsung company was charged with evasion of tax and asked to pay fine in crores which would lead to heavy losses for the company. (c) Mr. Manish, a senior manager in a telecom company shared confidential information about the company with a competitor which led to huge losses for the company. (d) Typewriters is becoming redundant. Identify and explain types of business risk being referred to in all the above cases.
5	Identify the characteristics of business in the following statements: (a) Departmental stores purchasing goods from small manufacturers and selling under one roof. (b) A car dealer buys and sells cars on regular basis. (c) A furniture dealer buys office chairs at ₹ 500 each and sells them for ₹ 650 each. ₹ 150 per chair is the extra money earned to meet business expenses and for future growth. (d) Workers at Maruti Udyog Ltd. went on strike for more than a month demanding raises in wages. The company suffered huge losses due to loss of production and sale.
6	Ankit has two buffaloes, one cow and one calf. He takes care of them and sells the milk extracted from them to people. Also,

	the milk which is left unsold, is used by him for producing milk products like ghee, curd and sometimes kulfi too. He is very popular for his honesty and pure quality of the products. He gives entire credit of his success to his love for the animals that he has.
	(a) Which kind of business activity is he engaged in?
	(b) Under which sectors is he working? State.
7	After doing B.Sc. Mohan has decided to start Poultry farm. Due to his good behaviour and hard work his business in increasing day by day. He has started sending eggs to another country also.
	(a) Which kind of Industry he has started?
	(b) Write down the name of any two other industries which are covered in (a).
	(c) Which type of external trade is discussed here?
8	Gurleen has just completed her M.Sc in agricultural science and have started applying for jobs in her field. She came to know about an organisation in Banaras where they rear silkworms for manufacturing the famous Banarasi Silk sarees and decided to join the same.
	What is the process of rearing silkworms for silk called and name and state the type of industry which she has joined.
9	Phoenix Technologies Ltd. have developed such a washing machine through years of research which requires very less water for washing clothes and cleans them without damaging the cloth, as compared to other washing machines presently sold in the market. The profit margins are kept low to motivate people from lower middle class to buy the product. The company wants to provide information about new features, price, availability and brand name to the target market.
	Name and state the service/facility/aids to trade which the company can utilise and what hindrance does it remove?
10	Deepak Wadhwa and Sons have been carrying on the business of diamond cutting since the last three generations in Bhuj, Gujarat. Since Bhuj is prone to earthquakes, the firm has decided to insure their business premises and inventory with Star Insurance Company.
	Which kind of risks the company is trying to minimise?
11	Mr. Harish Kalra is a farmer and cultivates sugarcane on a large piece of land in a district in Maharasthra. Mr. Harish has sold his ancestral house for ₹40 lakhs. His son, Saksham proposes him to establish a sugar mill with this money as the raw material sugarcane will be available from their fields.
	(a) Mention the type of industry in which Harish is engaged in.
	(b) Also define the type of manufacturing industry his son, Saksham plans to set up.
12	Yash is a student of class xii commerce and he is good in studies. His father gifted him a pen on his birthday. The cost of pen is ₹ 80. After few days Sumit sold his pen to his friend Rounaq for ₹ 100. He was very happy to earn profit of ₹ 20. After completed his studies he has started a pen manufacturing company in the name of M/s Sumit Pvt. Ltd. Due to good image of his pen his sales increasing day by day and he is earning huge profits. Then he has decided to give scholarship to week girls child of his school.
	(a) Can the transaction between Yash and Rounaq be termed as business transaction? Why?
	(b) Can the transaction made by M/s Yash Pvt. Ltd. be termed as business transaction?
13	Tea is mainly produced in Assam, while cotton in Gujarat and Maharashtra but they are required for consumption in different parts of the country. How can this hindrance of place be removed? Also under what business activity will it be categorised. State.
14	Darshan Sharma prepares 'Sohanpapri' for customers during Diwali season every year. He prepared more 'Sohanpapri' due to increased demand with adulterated ingredients. He employeed women and children for packing and paid them less salary. This way he generated good profit from himself.
	(a) Which objective of business is not fulfilled?
	(b) Given any two values neglected by Darshan Sharma.
15	Categorise the following into Extractive industries, Genetic industries and Manufacturing industries:
	(a) Afforestation. (b) Cotton textiles. (c) Dairy farming.
	(d) Sugar industries. (e) Nursery. (f) Mining.
